## Escape the Gridlock: Cruise the Han-river for the price of a coffee

Seoul's new Han River Bus offers a clean, comfortable, and eco-friendly way to travel—whether you're commuting or sightseeing.

With spacious vessels seating **155 to 199 passengers**, this water transit glides past traffic and delivers panoramic views of the city. The **regular route** connects **Magok, Mangwon, Yeouido, Apgujeong, Oksu, Ttukseom, and Jamsil**, while **express lines** link **Magok, Yeouido, and Jamsil** for faster travel.

And the best part? Tickets start at just **₩3,000**—less than your morning latte. Say goodbye to crowded subways and buses, and hello to serenity on the Han.

In Seoul, everyday life meets extraordinary moments—urban romance made real.

## Brighten up your daily ride!

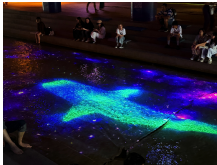

On board, amenities like a cafeteria, restrooms, and compact desks help make your commute more comfortable and enjoyable.

## Cheonggye Soul Ocean: Art in Motion Along the Stream

Cheonggye Soul Ocean is a captivating media art exhibition held along the tranquil stream of Cheonggyecheon in Seoul.

**From June 24 to December 31, 2025**, the city's iconic waterway transforms into a glowing canvas of light, motion, and imagination.

Visitors can enjoy immersive digital artworks projected onto the water and surrounding walls—completely free of charge.

It's a rare chance to experience world-class media art under the open sky, right in the heart of the city.

Please note: the exhibition may be suspended during periods of heavy rain for safety reasons.
